

PHI KAPPA TAU EDUCATION COMMITTEE PURPOSE STATEMENT

The Phi Kappa Tau Education Committee is responsible for the creation, updating, and delivery of high-quality, educational training and programs to the entire fraternity membership. The overarching goal of the Education Committee is to provide content that:

1. Supports the growth and development of undergraduate and alumni members and enhances the undergraduate collegiate experience.

This includes skills and knowledge relevant to the individual immediately and in the future

Training topics that will enhance and improve the running of the chapter by offering topics that teach members how to belong and oversee the campus organization or alumni group (such as running a meeting, overseeing a budget, creating an ad hoc committee, etc.)

Such topics will extend beyond brotherhood and leadership and will include relevant and meaningful topics for men to explore in the fraternal and societal level (such as sexual assault, substance use/abuse, hazing, diversity/equity/inclusion, etc.)

2. Challenges our members to meet and exceed the expectations of membership outlined in our Creed and Ritual.

3. Prepares our members to contribute to their communities and our society at the highest levels.

4. Supports the mission and values of the Fraternity in all aspects, and -

5. Encourages a culture of lifelong learning and development within the organization.
